For TD Canada Trust's Green Mortgage or
Green Home Equity Line of Credit (HELOC)

Upon validation of your receipts for your ENERGY STAR® qualified purchases, you will receive a rebate of up to 1% of the amount of your Green Mortgage or the fixed rate portion of your Green HELOC.

Remember:

The cost of a residential energy efficiency assessment is also eligible for the rebate. - ENERGY STAR qualified purchases must be made within six months after the term start date of the financing and receipts must be submitted within the same period.
- The rebate is based on the principal amount of the Green Mortgage or the fixed rate portion of the Green HELOC. For renewals taking advantage of this offer, the rebate is based on the outstanding balance renewed
- If you receive an interest rate discount greater than 1% off the posted five-year fixed rate, you are not eligible for the benefits of a Green Mortgage or Green HELOC
