The standard annual rate of 21% applies if your Minimum Payment is more than 30 days past due. TD Prime is disclosed on the Internet at www.tdcanadatrust.com, or please call us at 1-888-388-9666. Only applicants who we consider to have the very best credit record will be offered an initial rate of "TD Prime" + 2.0%. Upon approval, your initial rate will also be provided to you with the Disclosure Statement that we send to you. "TD Prime" means the annual interest rate established and reported by us to the Bank of Canada from time to time as a reference rate of interest for the determination of interest rates that we charge to customers of varying degrees of creditworthiness in Canada for Canadian Dollar loans.
