# Section 5: General Information about this Coverage

## Your Obligations as an *Insured Person*

### 1. Failure to Disclose Impacts *Your* Benefits

The *Certificate* is voidable by *Us* and no benefits will be paid if a person who applies to be insured and completes a medical questionnaire as part of the *Application*:

- fails to disclose all *Medical Conditions*, current medications, prescribed medications and periods of *Hospitalization* in response to the medical questions; or
- fails to fully, completely and accurately answer the medical questions.

The *Certificate* and all coverage hereunder is voidable by *Us* even if:

- the failure to disclose or misrepresentation relates only to the amount of premium that should have been paid; or
- any failure to disclose or misrepresentation does not relate to the cause of any claim.

NOTE: We may investigate the answers provided to the health questions in the *Application* at any time, including at the time of claim.

### 2. You must inform *Us* of any changes to *Your* health

If an *Insured Person* is required to complete a medical questionnaire, they must contact *Our Administrator* if their *Medical Condition* changes, and/or is not *Stable*, after enrollment and before the date of departure. The *Certificate* is **voidable** by *Us* and no benefits will be payable under it, if the *Insured Person* fails to contact *Our Administrator* as required.

### 3. Amending or Cancelling Coverage based on a Change in *Medical Condition*

Where medical evidence is required, *Our* decision as to whether, and on what basis, to insure a person depends on his or her condition on the date he or she leaves on the *Covered Trip*. Therefore, if the *Insured Person's*

*Medical Condition* changes, and/or is not *Stable*, as described above under “You must inform Us of any changes to Your health”, before the *Covered Trip* begins, We may:

- cancel the *Insured Person’s* insurance for that *Covered Trip*; or
- request a higher premium for that *Insured Person* for that *Covered Trip*.

If You do not pay the additional premium by the date the *Insured Person* departs, We will cancel the *Insured Person’s* insurance for that *Covered Trip*. If We cancel insurance under this provision, We will refund any premiums that were paid for the cancelled coverage.

### **Medical Emergency Coverage Period**

The *Medical Emergency Coverage Period* begins on the later of:

- Your *Effective Date*, shown in the *Application* or most recent *Declaration of Coverage*; or
- when You actually depart on the *Covered Trip*;

### Medical Emergency Claim

**A Medical Emergency should always be reported immediately**, as described in Section 3 under "What to do in a *Medical Emergency*," or benefits will be limited.

To make a *Medical Emergency* claim, as part of the requirements under Section 8: General Conditions ("Proof of Loss and Timely Reporting"), *We* will need documentation to substantiate the claim, including but not limited to the following:

- from any health plan or other insurance; and

- through rights *You* may have against other insurers or other parties (see Section 8: General Conditions, under “Subrogation”).

If *Our Administrator* pays eligible expenses that are covered under other insurance or another plan, *You* must help *Our Administrator* to seek reimbursement as required.

*You* must also provide evidence of the actual departure date from *Your* province or territory of residence. If requested, *You* must confirm any return dates to *Your* province or territory of residence.

NOTE: If *Our Administrator* makes an advance payment for expenses that are ineligible under the *Certificate*, then *You* must reimburse *Us*.

## Section 8: General Conditions

Unless the *Certificate* or the *Group Policy* states otherwise, the following conditions apply to *Your* coverage.

### Access to Medical Care

TD Life, TD Bank Group, *Our Administrator* and their affiliates are not responsible for the availability, quality or results of any medical *Treatment* or transport, or for *Your* failure to obtain medical *Treatment*.

### Benefit Payments

**This *Certificate* contains provisions removing or restricting the right of the *Insured Person* to designate persons to whom or for whose benefit money is to be payable.** This means that under the *Group Policy*, *You* do not have the right to choose a beneficiary who will receive any benefits payable under the *Certificate*. Benefits are payable to *You* or, on *Your* behalf, to *Your* medical service provider.

### Coordination of Benefits with Other Insurance

- All of *Our* policies are excess insurance, meaning that any other sources of recovery *You* have will pay first, and this insurance policy will be the last to pay. The total benefits payable under all *Your* insurance, including the *Certificate*, cannot be more than the actual expenses for a claim. If an *Insured Person* is also insured under any other insurance certificate or policy, *We* will coordinate payment of benefits with the other insurer.
- In no case will *We* seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is \$50,000 or less. If the lifetime maximum for all in-country and out-of-country benefits is over \$50,000, *We* will coordinate benefits only above this amount.

### Currency

All amounts shown are in Canadian currency.

### Group Policy

All benefits under the *Certificate* are subject in every respect to the *Group Policy* which alone constitutes the agreement under which benefits will be provided. The principal provisions of the *Group Policy* affecting *You* are summarized in the *Certificate*. The *Group Policy* is on file at the office of the Policyholder and upon request, *You* are entitled to receive and examine a copy of the *Group Policy*.

### Legal Action Limitation Period

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Civil Code of Quebec*.

### Misrepresentation of Facts Other than *Your* Health/Medical Information

*We* will not pay any expenses or benefits if *You*, any person insured under the *Certificate* or anyone acting on *Your* behalf attempt to deceive *Us* or makes a fraudulent, false or exaggerated claim.

### Proof of Loss and Timely Reporting

If *You* are making a claim, *You* must complete and send *Our Administrator* the appropriate claim forms, together with written proof of loss (e.g. original invoices and tickets, medical and/or death certificates as described in Section 6: How to Make a Claim) as soon as possible. In every case, *You* must report *Your* claim within one (1) year from the date of the accident or the date the claim arises.

## **Relationship Between Us and the Group Policyholder**

TD Life Insurance Company is affiliated with The Toronto-Dominion Bank (“TD Bank”).

## **Review and Medical Examination**

When a claim is being processed, *We* will have the right and the opportunity, at *Our* own expense, to review all medical records related to the claim and to examine *You* medically when and as often as may be reasonably required.

## **Subrogation**

There may be circumstances where another person or entity should have paid *You* for a loss but instead *We* paid *You* for the loss. If this occurs, *You* agree to co-operate with *Us* so *We* may demand payment from the person or entity who should have paid *You* for the loss. This may include:

- transferring to *Us* the debt or obligation owing to *You* from the other person or entity; or
- permitting *Us* to bring a lawsuit in *Your* name; or
- if *You* receive funds from the other person or entity, *You* will hold it in trust for *Us*; or
- acting so as not to prejudice any of *Our* rights to collect payment from the other person or entity.

*We* will pay the costs for the actions *We* take.

## **Insurer’s reply**

*We* will notify *you* of a decision to approve *your* claim approximately 60 business days after receiving all documents and information required upon which to make a decision.

Once the required proof has been received and the claim has been approved, payment will be made by the Insurer within 30 days.

*We* will inform *you* of the claim denial and the reasons for such denial approximately within 60 business days after receiving all documents and information required upon which to make a decision.

## **Appeal of an insurer’s decision and recourse**

If *your* claim is refused, *you* can appeal this decision by submitting new information to the Insurer. *You* may also consult the Autorité des marchés financiers or *your* own legal advisor.
