At the end of the 5-year period, you will need to re-apply for coverage if you wish to maintain credit protection on your *Line of Credit*. Premiums will be re-calculated at the time of new application. Individuals who are enrolled in *Creditor Defined Plan* will not be eligible for Recognition of Prior Coverage.

There are two circumstances under which you may choose to be enrolled in our *Creditor Defined Plan*, provided you consent below:

- Depending on your answers to the questions on the *Health Questionnaire*, we may determine that you do not qualify for coverage on the full term of your *Line of Credit*. In this case, you may choose to be enrolled in our *Creditor Defined Plan* if you meet our standard approval criteria; **or**
- In the event that we are unable to reach you to complete the *Health Questionnaire* and complete our underwriting process, we will not be able to consider you for coverage for the full term of your *Line of Credit*. In this case, you may choose to be enrolled in our *Creditor Defined Plan* if you meet our standard approval criteria.

Once you are approved for the *Creditor Defined Plan*, under either of the two circumstances described above, coverage starts on the date we write to let you know you are enrolled.

You may be covered for *Line of Credit Critical Illness and Life Insurance* or for *Line of Credit Life Insurance* only. Please refer to your insurance *Application* or your letter of approval for verification of coverage.

Amount of Protection

The following terms will have the same meaning as in your TD Canada Trust *Line of Credit* agreement and any associated credit agreement with TD Canada Trust: arrears, balance, discharge and penalty fees.

Your *Line of Credit Critical Illness and Life Insurance* and *Line of Credit Life Insurance* can pay up to \$300,000 for all your insured *Lines of Credit* combined. Subject to the above maximum, you can apply for coverage up to your approved credit limit or plan limit on all your *Lines of Credit*.

If TD Canada Trust approves a change to the credit limit or plan limit with respect to your *Line of Credit*, after you complete the insurance *Application* and before the initial activation of your *Line of Credit*, then:

- if the initial insurance *Application* is for *Life Insurance* only (without optional *Critical Illness Insurance*) and after the change, the total combined *Life Insurance* amount on all your insured TD Canada Trust *Lines of Credit*, including

the *Life Insurance* amount for this *Line of Credit*, would increase from \$50,000 or less to over \$50,000, then a new *Application* is required. In this case, any insurance that took effect under the original *Application* on this *Line of Credit* will terminate;

- otherwise, subject to the maximums set out above, once *your Life Insurance* and/or *Critical Illness Insurance* takes effect as described in the section “When Your *Life Insurance* Starts” or “When Your *Critical Illness Insurance* Starts” in the Certificate of Insurance, *your Life Insurance* amount and *Critical Illness Insurance* amount will be the credit limit or plan limit for this *Line of Credit* at time of activation.

Payment of Benefits

When we pay an insurance benefit, we will calculate the benefits payable according to the following dates:

- for life coverage, the date of death;
- for Accidental Dismemberment coverage, the date of the Accidental Dismemberment which caused a covered loss;
- for *Critical Illness Insurance*, the date of diagnosis.

Subject to the maximum *Life Insurance* amount and *Critical Illness Insurance* amount described above, when we pay an insurance benefit, the insurance benefit will equal the outstanding balance on the date we determine benefits, except in situations described in the section “Exclusions and Limitations” of this guide.

The insurance benefits payable include:

- *your* outstanding *Line of Credit* balance minus any payments in arrears;
- discharge and penalty fees as set out in *your Line of Credit*; **and**
- interest owing.

In no circumstances will we pay more than this outstanding balance.

When we pay an *Accidental Dismemberment* benefit your *Critical Illness Insurance* amount and *Life Insurance* amount is reduced by the amount of the payment. When we pay a *Critical Illness Insurance* benefit *your Life Insurance* amount is reduced by the amount of the payment.

As a general rule, a debt is only insured if the debt is actually outstanding on the day the benefit is calculated. There is one exception with respect to real estate. If:

- *you* enter into an Agreement of Purchase and Sale for a house or other real estate;
- *TD Canada Trust* commits to advance funds to pay for the property; **and**

- *you* suffer a loss that would be covered under the Certificate of Insurance after it comes into effect, but before the funds are advanced,

then if *TD Canada Trust* subsequently advances the funds with respect to the property, the amount of that debt will be included in the outstanding balance for the purpose of the calculation of benefits.

Partial Coverage

If *you* have more than one *Line of Credit* and *you* apply for *Life* or *Critical Illness* and *Life* coverage, we may offer *you* coverage up to the maximum of \$300,000 distributed between *your Lines of Credit*.

If the total of all *your Lines of Credit* are over \$300,000, the maximum benefit paid will equal \$300,000.

Recognition of Prior Coverage

If *you* are refinancing one or more *TD Canada Trust* credit product(s) previously insured with *Life Insurance* and/or *Critical Illness* and *Life Insurance* and:

- *you* have not met the health requirements at the time of applying for *Line of Credit Insurance* or *Line of Credit Critical Illness* and *Life Insurance*; **or**
- *you* are over age 55 and no longer eligible to apply for *Line of Credit Critical Illness Insurance*,

then partial or full coverage may be available on *your Line of Credit*, based on the credit limit or plan limit for *your* previous *Line of Credit* or insured outstanding balance for *your Mortgage* subject to the maximums.

Note: Individuals who are approved under *Creditor Defined Plan* will not be considered for *Recognition of Prior Coverage*.

Beneficiary of the Insurance

We will pay the *Line of Credit Critical Illness* and *Life Insurance* benefit to *TD Canada Trust* to pay off or pay down the outstanding *Line of Credit* balance.

Premiums to Be Paid by the Insured

Your cost for *Line of Credit Critical Illness* and *Life Insurance* is based on *your* age at billing and the average balance of *your Line of Credit* at billing.

If more than one person is insured under the same coverage, *you* will obtain a 15% multi-insured discount on the total of *your* individual premiums.

A discount of 20% will be applied to the premium for the portion of the average balance that exceeds **\$75,000**.

Effective Date of Coverage

To find out whether *your* insurance *Application* will be automatically approved or if *you* are required to complete a *Health Questionnaire*, consult the "Confirmation of Insurance" section of this Distribution Guide.

If,

- *your Line of Credit* is approved;
- *you* have met the eligibility requirements to apply for insurance; **and**
- *you* have submitted *your* insurance *Application* to TD Life;

then *your* insurance coverage will take effect as described below.

For *Line of Credit Life Insurance*:

Your coverage is automatically approved and takes effect on the date *you* applied for coverage if:

- *you* answered "NO" to health questions 1 to 3 in the insurance *Application* (Section: Information about *your Application* and *your* health); **or**
- *your* insured *Lines of Credit* are less than or equal to \$50,000.

For *Line of Credit Critical Illness Insurance*:

If *you* answered "NO" to questions 1 to 4 in the insurance *Application* (Section: Information about *your* health), *your* coverage is automatically approved and takes effect on the date *you* applied.

When *you* must complete a *Health Questionnaire*:

You will need to complete a *Health Questionnaire* to be considered for the full term of *your Line of Credit* if *you* answered "YES" to any of the health questions in *your* insurance *Application* (Section: Information about *your* health). If *your Application* is approved, coverage starts on the date we write to let *you* know we have approved *your Life Insurance* and/or *Critical Illness Insurance* for the full term of *your Line of Credit* or under *Creditor Defined Plan*.

If *you* apply for *Critical Illness Insurance* in addition to *Life Insurance* and we require additional information from *you*, *your* coverages may start on different dates, but *your Critical Illness Insurance* can never begin before *your Life Insurance*.

Exclusions and Limitations

Caution

Please note that all limitations and exclusions in this section also apply if *you* are enrolled in *Creditor Defined Plan*.

An insurance benefit will not be paid and coverages will be voided if *you* give any false or incomplete responses to:

- information that we require to approve *your* insurance; **or**
- information *you* give when requesting any change to *your* coverage.

We will not pay a *Life Insurance* benefit if:

- *your* death occurs before the insurance coverage comes into effect;

Exclusions and Limitations

- *your* insurance coverage has been in force for less than 2 years, and *you* die from intentional self-inflicted injury, suicide or attempted suicide, (whether *you* are aware or not aware of the result of *your* actions, regardless of *your* state of mind). If this happens, we will refund all premiums paid;
- the death is a result of or while *you* were committing a criminal offence;
- the life claim is not made within one year of the date of death; **or**
- *your* insured *Lines of Credit* are less than or equal to \$50,000;
 - *your* death occurs within the first 12 months of the insurance coverage effective date; **and**
 - *your* death results from an illness or a health condition for which *you* received medical consultation, treatment, care or services, including prescribed medication, during the 12 months prior to the start of *your* insurance coverage.

We may limit the Life Insurance benefit if:

- *your* death results from an illness or condition for which *you* had symptoms, received medical consultation, treatment, care or services, including prescribed medication, during the 12-month period prior to the date of death.

In this case, the insurance benefit will be limited to the greater of:

- 110% of the average *Line of Credit* statement balances for this insured *Line of Credit* for the past 12 months; **or**
- the outstanding balance on the day before the date of diagnosis of the illness or condition that caused *your* death, if that diagnosis occurred within the 12-month period prior to the date of death.

We will not pay an Accidental Dismemberment benefit if:

- the accidental dismemberment occurs before the insurance coverage comes into effect;
- the accidental dismemberment was due to drug or alcohol misuse or abuse;
- the loss is caused by intentional self-inflicted injury, suicide or attempted suicide (whether *you* are aware or not aware of the result of *your* actions, regardless of *your* state of mind);
- the loss caused by an accidental dismemberment occurs more than 12 months after that *Accident*;
- the loss is a result of or while *you* were committing a criminal offence;

Exclusions and Limitations (continued)

- the claim is not made within one year of the date of loss; **or**
- the injuries result either directly or indirectly from any illness, medical condition or congenital defect, regardless of:
 - whether the illness or condition arose before or after *your Line of Credit Life Insurance* took effect;
 - how *you* came to suffer from the illness or condition; **and**
 - whether the illness, condition or defect or resulting injury was expected or unexpected.

We will not pay a critical illness benefit if:

- the loss is a result of a pre-existing medical condition. A pre-existing condition means an illness or condition for which:
 - *you* had symptoms; **or**
 - *you* received medical consultation, treatment, care or services, including prescribed medication.
- during the 24 months prior to the start of *your Critical Illness Insurance*, unless disclosed on the *Application*;
- *your* claim is the result of use of illegal or illicit drugs or substances;
- the loss is caused by a misuse of medication obtained with or without prescription; **or**
- a diagnosis of *Cancer (life threatening)* or a medical consultation or investigation leading to a diagnosis occurs within 90 days of the coverage taking effect. In this case, *Critical Illness Insurance* will terminate and premiums for this coverage will be refunded.

We may limit the Critical Illness Insurance benefit if:

- the diagnosis of the covered critical illness results directly or indirectly from any illness or condition for which *you* had symptoms, received medical consultation, treatment, care or services, including prescribed medication, during the 12-month period prior to the date of diagnosis.

In this case, the insurance benefit will be the lesser of:

- the outstanding balance on the date of diagnosis subject to the *Critical Illness Insurance Amount**; **or**
- 110% of the average *Line of Credit* statement balances for this insured *Line of Credit* for the past 12 months.

- 30 days after we or *TD Canada Trust* give *you* written notice of the cancellation of the *Policy*;

- *TD Canada Trust* starts legal proceedings against *you* concerning *your* insured *Line of Credit*;
- *your* 5-year period of coverage has come to an end if *you* are covered under the *Creditor Defined Plan*; **or**
- *you* die.

Critical Illness Insurance

Once *you* are insured, *your* *Line of Credit Critical Illness Insurance* will end automatically on the date that *your* *Line of Credit Life Insurance* ends under the circumstances described in the *Line of Credit Life Insurance* section or if any one of the following occurs:

- if we pay any critical illness benefit for *your* insured *Line of Credit*;
- if *you* are diagnosed with *Cancer (life threatening)* or medical consultation or investigation leading to such a diagnosis occurs within 90 days after *your* coverage takes effect; **or**
- if we receive a written request from *you* to cancel *your* *Line of Credit Critical Illness Insurance* or, if we are able to confirm *your* identity, we receive *your* request by telephone to cancel *your* *Line of Credit Critical Illness Insurance*;

Any claims that are submitted after the above deadlines will not be paid.

Additional proof or information regarding the claim may also be required.

Definitions Of The Terms We've Used

The Distribution Guide used the following terms, which are identified in *italics*:

Accident	<p>a violent, sudden and unexpected action from an external source but does not include injuries resulting either directly or indirectly from any illness, medical condition or congenital defect, regardless of:</p> <ul style="list-style-type: none"> • whether the illness or condition arose before or after <i>your</i> coverage starts; • how the insured person came to suffer from the illness or condition; or • whether the illness, condition or defect or resulting injury was expected or unexpected.

- on the date you applied for coverage if your insured Lines of Credit are less than or equal to \$50,000;
- on the date you applied for coverage if you answered "NO" to health questions 1 to 3 in your Application (Section: Information about your health); or
- on the date we write to let you know that we have approved your Life Insurance if you answered "YES" to any of the health questions in your Application (Section: Information about your health).

- We will review your Application and let you know by mail if you are approved. Coverage starts on the date we write to let you know we have approved your Life Insurance and/or Critical Illness Insurance for the full term of your Line of Credit or under Creditor Defined Plan.

Note: We reserve the right to change our underwriting requirements and the questions in the Application at any time.

Maximum Life Insurance Amounts You Can Apply For

You can apply to insure the credit limit or plan limit of your Line of Credit to a maximum of \$300,000 for all of your combined Lines of Credit. This limit applies to the total life, accidental dismemberment and Critical Illness Insurance benefits payable to 1 person.

Note: The amount of coverage will be subject to the maximum Life Insurance amounts and any other applicable restrictions as outlined in your insurance approval letter or Certificate of Insurance.

How A Life Insurance Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the following dates:

- for life coverage, the date of death;
- for accidental dismemberment coverage, the date of the Accident, which caused a covered loss.

When a benefit is paid, subject to the maximum Life Insurance amount of \$300,000, we pay the following amount associated with your Line of Credit:

- the outstanding balance up to your Life Insurance Amount, on the date of death or date the Accident caused a covered loss. We will not pay more than this outstanding balance*;
- any discharge or penalty fees;
- any interest owing;
- minus any Line of Credit payments that are in arrears prior to the date we determine benefits.

*Payment is always subject to the section "When A Life Insurance Benefit May Be Limited".

When A Life Insurance Benefit May Be Limited

The Life Insurance benefit may be limited if the death of any insured borrower results from an illness or condition for which you had symptoms, received medical consultation, treatment, care or services, including prescribed medication within the 12 months prior to the date of death.

In this case, the insurance benefit will be limited to the greater of:

- the outstanding balance on the day before the date of diagnosis by a qualified physician of the illness or condition that caused your death, subject to the Life Insurance Amount*;
- 110% of the average statement balances for this insured Line of Credit for the past 12 months.

For Example:

Statement Balance	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
	1,000	1,100	1,200	1,300	1,400	1,500	1,600	1,700	1,800	5,000	5,500	6,000
Average statement balance	$(1000 + 1100 + 1200 + 1300 + 1400 + 1500 + 1600 + 1700 + 1800 + 5000 + 5500 + 6000) \div 12 = \2425											
Insurance benefit paid	$\$2425 \times 110\% = \2667.50											

*For more information, please refer to section "Maximum Amounts You Can Apply For".

When We Pay a Life Benefit

In the event of death, we will pay a benefit to TD Bank up to your Life Insurance Amount, and subject to any limitations set out in this Certificate of Insurance.

When We Will Not Pay A Life Benefit

- *your* death occurs before *your* insurance coverage starts;
- *your* death is a result of, associated with, or happens while *you* are committing a criminal offence;
- *your* life claim is not made within one year of the date of death;
- *your* insurance coverage has been in force for less than two years, and *you* die from intentional self-inflicted injury, suicide, attempted suicide (whether *you* are aware or not aware of the result of *your* actions, regardless of *your* state of mind). If this happens, we will refund all insurance premiums; or
- *your* insured *Lines of Credit* are less than or equal to \$50,000 and *your* death occurs within 12 months from the date *your* coverage starts, and is the result of an illness or condition for which *you* received medical consultation, treatment, care or services, including prescribed medication, during the 12 months prior to the date *your* coverage starts. In this instance, all insurance premiums paid will be refunded.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All *Your* Coverage”.

When We Will Pay An Accidental Dismemberment Benefit

In the event of accidental dismemberment, we will pay a benefit to *TD Bank* up to *your Life Insurance Amount* if *you* suffer a covered loss as described below, which:

This applies to the responses in your Application and to any other information we receive from you, whether in writing, electronically or by telephone.

Insurance Amounts After A Benefit Is Paid

- When we pay an accidental dismemberment insurance benefit your Critical Illness Insurance Amount and Life Insurance Amount is reduced by the amount of the payment.
- When we pay a Critical Illness Insurance benefit, your Life Insurance Amount is reduced by the amount of the payment.
- When we pay an insurance benefit, the reduction in your benefit amount or termination of your coverage will not impact the Life Insurance Amount of other insured borrowers on your Line of Credit.

In this instance, you will need to reapply*; or
- you die.

*This will end insurance coverage for other insured borrowers on the Line of Credit.

When your insurance coverage ends for any reason, we will not notify the other person(s) liable to TD Canada Trust for the Line of Credit.

We will refund any premiums we may owe you after your coverage ends. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

When We Pay A Critical Illness Insurance Benefit

In the event you are diagnosed with *Cancer (life threatening)*, *Acute Heart Attack*, or *Stroke* we will pay a benefit to TD Bank up to your *Critical Illness Insurance Amount*, subject to any limitations set out in this Certificate of Insurance.

When We Will Not Pay A Critical Illness Insurance Benefit

- your diagnosis of a covered condition occurs within 24 months of you becoming covered under this Certificate of Insurance, and is a result of an illness or condition for which you had symptoms or received medical consultation, treatment, care or services, including prescribed medication, during the 24 months prior to the start of your *Critical Illness Insurance* (this is called a **"pre-existing condition"**);
- your claim is a result of your use of illegal or illicit drugs or substances;
- your claim is a result of your misuse of medication obtained with or without prescription; or
- a diagnosis of *Cancer (life threatening)* or investigation leading to a diagnosis, occurs within 90 days when your coverage starts. In this instance, all insurance premiums paid will be refunded.

For additional exclusions, please refer to section "When We May Not Pay Any Benefit and Terminate All Your Coverage".

When We May Not Pay Any Benefit and Terminate All Your Coverage

- you give any false or incomplete responses to information that we require to approve your insurance; or
- you give any false or incomplete information when requesting any change to your coverage.

This applies to the responses in your *Application* and to any other information we receive from you, whether in writing, electronically or by telephone.

Insurance Amounts After a Benefit Is Paid

- When we pay an accidental dismemberment insurance benefit your *Critical Illness Insurance Amount* and *Life Insurance Amount* is reduced by the amount of the payment.
- When we pay a *Critical Illness Insurance* benefit, your *Life Insurance Amount* is reduced by the amount of the payment.
- When we pay an insurance benefit, the reduction in your *Critical Illness Insurance Amount* or termination of your coverage will not impact the *Critical Illness Insurance Amount* of other insured borrowers on your *Line of Credit*.

For Example: Your *Life Insurance Amount* is \$200,000. When your *Critical Illness Insurance* claim is approved, the balance on your *Line of Credit* as of the date of diagnosis is \$100,000. After your *Critical Illness Insurance* benefit is paid, your *Life Insurance Amount* is reduced to \$100,000.

When Your Critical Illness Insurance Ends

Your *Critical Illness Insurance* on your *Line of Credit* will end without notice to you on the date that your *Life Insurance* ends, as described in the section "When Your Life Insurance Ends," or when any of the following occurs:

- if we pay any *Critical Illness Insurance* benefit on you to your insured *Line of Credit*;
- a diagnosis of *Cancer (life threatening)* or investigation leading to a diagnosis, occurs within 90 days from when your coverage starts;
- we receive a written request from you to cancel your *Critical Illness Insurance* or, if we are able to confirm your identity, and we receive your request by telephone to cancel your *Critical Illness Insurance*; or
- if you are covered under the *Creditor Defined Plan*, your 5-year period of coverage has come to an end, or you turn 70 while enrolled in the *Creditor Defined Plan*.

This will not end insurance coverage for other insured borrowers on the *Line of Credit*.

When your insurance coverage ends for any reason, we will not notify the other person(s) liable to TD Canada Trust for the *Line of Credit*.

We will refund any premiums we may owe you after your coverage ends. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: Your insurance coverage may end prior to the repayment of your Line of Credit.

Definitions Applicable To Critical Illness Insurance Coverage

Acute Heart Attack: the death of a portion of your heart muscle resulting from inadequate blood supply for which the following test results are confirmed:

- an increase of cardiac bio-markers and/or enzymes found in the blood stream, as a result of damaged heart muscle tissue, to levels considered diagnostic for an acute myocardial infarction.

Diagnosis of the *Acute Heart Attack* must be made by a qualified cardiac specialist.

Acute Heart Attack does not include:

- an incidental finding of electrocardiogram changes suggesting a prior myocardial infarction with no corroborating event;
- an increase of cardiac bio-markers and/or enzymes due to coronary angioplasty (a medical procedure involving the ballooning of a narrowed coronary artery) unless there are new elevations of ST segments in the involved electrocardiogram leads considered diagnostic for an acute myocardial infarction; or
- an increase of cardiac bio-markers and/or enzymes in the blood stream due to pericarditis or myocarditis.

Application: the completed written, printed, electronic, and/or telephone application for *Line of Credit Critical Illness and Life Insurance*, including the *Health Questionnaire*, if applicable.

Cancer (life threatening): a *life-threatening* tumour characterized by the uncontrollable growth and spread of malignant cells.

Cancer (life threatening) does not include:

- carcinoma in situ;
- malignant melanoma to a depth of .75mm or less;
- skin Cancer that has not spread beyond the deepest layer of the skin;
- Kaposi's sarcoma;
- Stage A (T1A or T1B) prostate Cancer; or
- any diagnosis or investigation leading to a diagnosis, which occurs within 90 days when your coverage starts.

Creditor Defined Plan: *Life Insurance or Critical Illness and Life Insurance* for a 5-year period of coverage, up to a maximum of \$300,000 for Life and \$300,000 for Critical Illness. Individuals enrolled in this plan must re-apply if seeking to maintain credit protection on their *Line of Credit* beyond their 5-year period of coverage.

Critical Illness Insurance Amount: the maximum amount that may be payable as a *Critical Illness Insurance* benefit. It is equal to the lesser of (i) the credit limit/plan limit of the *Line of Credit*, or (ii) partial coverage amount indicated in the letter sent approving you for coverage, or (iii) \$300,000. The *Critical Illness Insurance Amount* may change. For more information, please refer to the section "*Insurance Amounts after a Benefit is Paid*".

Stroke does not include:

- Transient Ischemic Attacks

Additional Conditions to Coverage

The following sections explain additional conditions that may apply to your *Life Insurance or Critical Illness and Life Insurance*. If any of these additional conditions apply to you, we will let you know in writing.

The additional conditions to coverage are subject to all exclusions and limitations to *Life Insurance and Critical Illness Insurance* coverage outlined in the following sections:

- "*When We Will Not Pay a Life Benefit*", page 18
- "*When We Will Not Pay An Accidental Dismemberment Benefit*", page 18
- "*When We Will Not Pay A Critical Illness Insurance Benefit*", page 21
- "*When We May Not Pay Any Benefit And Terminate All Your Coverage*", page 21
- "*When your Life Insurance Coverage Ends*", page 19, and;
- "*When your Critical Illness Insurance coverage Ends*", page 21.

Creditor Defined Plan

The *Creditor Defined Plan* provides the same coverage as *Life Insurance* or *Critical Illness and Life Insurance* up to a maximum of \$300,000 per coverage but is limited to a 5-year period.

Note: Please refer to the “*Life Insurance*” and “*Critical Illness Insurance*” sections on pages 17 and 20.

To be considered for the *Creditor Defined Plan*, you will need to provide your consent on your *Application*. Your consent to be enrolled does not guarantee your enrollment in coverage. We may not be able to provide you with any coverage if you do not meet our standard approval criteria.

There are two circumstances when you may consent to be enrolled in the *Creditor Defined Plan*:

- Depending on your answers to the questions on the *Health Questionnaire*, we may determine that you do not qualify for coverage on the full-term of your *Line of Credit*. In this case, you may choose to be enrolled in the *Creditor Defined Plan* if you meet our standard approval criteria; or
- In the event that we are unable to reach you to complete the *Health Questionnaire* and complete our underwriting process, we will not be able to consider you for coverage for the full-term on your *Line of Credit*.

If you are enrolled in our *Creditor Defined Plan*, your coverage effective date is the date we write to let you know that we have approved you for *Life Insurance* or *Critical Illness and Life Insurance*. Our 30-day money-back guarantee described on page 27 applies if you are enrolled in the *Creditor Defined Plan*.

At the end of the 5-year period following your coverage effective date, you will need to complete a new *Application* for coverage if you wish to maintain credit protection on your *Line of Credit*.

Premiums are calculated based on your age at billing, your average monthly balance and number of days in the billing period.

Please note that individuals who are approved under the *Creditor Defined Plan* will not be considered for *Recognition of Prior Coverage* as described under section “*Recognition of Prior Coverage*” on page 23.

Recognition Of Prior Coverage

We may approve you for full or partial coverage on your *Line of Credit*, based on the amount previously insured, if:

- you do not meet our health requirements; or
- you are over age 55 but under 70; and
- you were insured with us under a previous *Line of Credit* or *Mortgage* with coverage other than our *Creditor Defined Plan*.

To qualify for recognition of prior coverage, you must apply within 30 days of the:

- discharge of your existing *TD Canada Trust Mortgage*; or
- closure of your existing *Line of Credit*.

Your maximum coverage amount, under *Recognition of Prior Coverage*, will be a flat dollar amount equal to the balance of the discharged mortgage or the credit limit or plan limit on the previous *Line of Credit*. We will specify the amount in the letter we send approving you for coverage.

For Example: Your existing *Line of Credit* or *Mortgage* covered with *Life Insurance* for \$75,000 is being replaced by a new *Line of Credit* for \$183,000. *Life Insurance* approved on your new *Line of Credit* will be \$75,000. At claim time, the maximum amount that can be paid is \$75,000.

Partial Coverage

If you have more than one *Line of Credit* and you apply for *Life* or *Critical Illness and Life Insurance*, we may offer you coverage up to the maximum of \$300,000 distributed between your *Lines of Credit*. If the total of all your *Lines of Credit* are over \$300,000, the maximum benefit paid will equal \$300,000.

The following two examples illustrate when we would offer partial coverage:

Example 1:

- You have *Critical Illness and Life* coverage on your first *Line of Credit* for \$100,000.
- You are approved for a second *Line of Credit* for \$400,000.
- Since maximum coverage offered is \$300,000, the remaining *Critical Illness and Life* coverage available on your second *Line of Credit* is \$200,000 (\$300,000 - \$100,000).
- If at claim time the balance on your second *Line of Credit* is \$300,000, then the maximum amount payable under your partial coverage will be \$200,000.

Example 2: Your *Line of Credit* limit was \$600,000 when you applied for *Life* or *Critical Illness and Life Insurance*.

- The maximum coverage offered is \$300,000.
- If at claim time the balance on your *Line of Credit* is \$400,000, then the maximum amount payable under your partial coverage will be \$300,000.

Premium Information for Critical Illness and Life Insurance

- *Critical Illness Insurance* premiums and *Life Insurance* premiums for each covered borrower are calculated separately at the time each borrower applies for coverage and billed jointly.
- *Your* premium will fluctuate based on *your* age at billing, *your* average monthly balance and number of days in the billing period.
- The rate to calculate *your* premium is based on *your* age at billing.
- A 15% multi-insured discount will apply to the *Life Insurance* premium if two or more persons are insured with *Life Insurance* on the billing date.
- A 20% discount will apply to the premium for the average balance portion that exceeds \$75,000. We call this a **tier discount**.
- A 15% multi-insured discount will apply to the *Critical Illness Insurance* premium if two or more persons are insured with *Critical Illness Insurance* on the billing date.
- Provincial sales taxes are added to *your* premiums, if applicable.

The monthly average balance is calculated using the average daily balances for the *Line of Credit* during the insurance billing period. If the daily balance *you* owe on any day is negative, we will use a daily balance of zero for that day in this calculation. Daily balances for the revolving portion and any fixed portions will be combined into a single amount and used to calculate premiums.

Note: The average balance used to calculate premiums will be capped at the *Insurance Amount*.

For Example: If *your* monthly average balance on your *Line of Credit* is \$400,000 and *you* have a maximum coverage of \$300,000, the average balance used in *your* premium calculation will be \$300,000.

Your insurance billing period usually starts on the last business day of the previous month, and ends on the second last business day of the current month. The number of days in an insurance billing period depends on the number of days in each month.

If *your* coverage begins during the middle of the month, *your* insurance billing period will start on the day *your* coverage starts. Similarly, *your* last insurance billing period will end on the day *your* coverage terminates.

The premium rates per \$1,000 of coverage are shown in the table below. These rates do not include provincial sales taxes.

Note: If we increase the rates, the increase will apply to everyone covered. We'll let *you* know before making any changes to the rates.

How To Calculate *Your* Premium

We will withdraw *your* insurance premiums, plus any applicable provincial sales taxes on the last business day of each month from *your* *Line of Credit* account.

To calculate *your* monthly premium:

1. Find the rate that applies to *you* in the table.
2. Multiply the rate by the average balance for *your* *Line of Credit* during the insurance billing period and divide it by 1,000.
3. Multiply the result (from step 2) by 12, then divide by 365 to get the daily premium.
4. Multiply the daily premium by the number of days in *your* insurance billing period.

5. Apply the multi-insured discount, if applicable.
6. Apply the tier discount, if applicable.
7. Apply provincial sales tax, if applicable.

Examples:

Your monthly premium is dependent on the number of days in your insurance billing period. For illustration purposes, we will use a 31-day billing period in the following examples.

Single Applicant

You are 34 years old and the average balance for your *Line of Credit* this month was \$20,000. Your monthly insurance premium would be:

	Life	Critical Illness
Step 1:	\$0.22	\$0.22
Step 2:	$\$0.22 \times \$20,000 \div 1000 = \$4.40$	$\$0.22 \times \$20,000 \div 1000 = \$4.40$
Step 3:	$\$4.40 \times 12 \div 365 = 0.1447$	$\$4.40 \times 12 \div 365 = 0.1447$
Step 4:	$0.1447 \times 31 = \$4.48$	$0.1447 \times 31 = \$4.48$
Step 5:	N/A	N/A
Step 6:	N/A	N/A
Monthly premium $\$4.48 + \$4.48 = \$8.96$ plus applicable provincial sales tax.		

Multiple Applicants

You are 34 years old, your spouse is 32 and the average balance on your *Line of Credit* this month is \$20,000. Your monthly insurance premium for joint coverage would be:

	Life	Critical Illness
Step 1:	$\$0.22 + \$0.20 = \$0.42$	$\$0.22 + \$0.20 = \$0.42$
Step 2:	$\$0.42 \times \$20,000 \div 1000 = \$8.40$	$\$0.42 \times \$20,000 \div 1000 = \$8.40$
Step 3:	$\$8.40 \times 12 \div 365 = 0.2762$	$\$8.40 \times 12 \div 365 = 0.2762$
Step 4:	$0.2762 \times 31 = \$8.56$	$0.2762 \times 31 = \$8.56$
Step 5:	$\$8.56 - 15\% = \7.28	$\$8.56 - 15\% = \7.28
Step 6:	N/A	N/A
Monthly premium $\$7.28 + \$7.28 = \$14.56$ plus applicable provincial sales tax.		

Single Applicant With A Tier Discount

You are 34 years old and the average balance for your *Line of Credit* this month was \$200,000. A "tier" discount of 20% will be applied to the premiums for the portion of the balance that exceeds \$75,000. Your monthly *Life Insurance* premium would be:

	Life
Step 1:	\$0.22
Step 2:	$\$0.22 \times \$75,000 \div 1000 = \$16.50$ $\$0.22 \times (\$200,000 - \$75,000) \div 1000 = \27.50
Step 3:	$\$16.5 \times 12 \div 365 = 0.5425$ $\$27.5 \times 12 \div 365 = 0.9041$
Step 4:	$0.5425 \times 31 = \$16.82$ $0.9041 \times 31 = \$28.03$
Step 5:	N/A
Step 6:	$\$28.03 - 20\% = \22.42
Monthly premium $\$16.82 + \$22.42 = \$39.24$ plus applicable provincial sales tax.	

Additional Information

As a general rule, no benefit is payable until a withdrawal has been made on the *Line of Credit*. The following exception applies with respect to the purchase of real estate:

- you enter into an Agreement of Purchase and Sale for a house or other real estate; and
- TD Canada Trust commits to advance funds to pay for the real estate; and
- you suffer a loss that would be covered under this Certificate of Insurance after coverage starts but before the funds are advanced;

then in this instance, any *Line of Credit* funds advanced by TD Canada Trust to pay for the real estate will be included to calculate the benefit.

Commonly Asked Questions

About *Line of Credit Critical Illness and Life Insurance*

Is This Insurance Mandatory?

Applying for *Line of Credit Critical Illness and Life Insurance* is optional. *You* aren't required to have this product to obtain any *TD Canada Trust* products or services. But remember the benefits. If *you* were to die, suffer an accidental dismemberment or be diagnosed with a covered critical illness without it, would *your* family be able to manage *your Line of Credit* payments?

Can You Sign Up At Any Time?

Yes. As long as the *Policy** remains in force and *you* remain eligible to apply, there are no time constraints preventing *you* from taking advantage of low-cost coverage to protect *your Lines of Credit*. *Your TD Canada Trust* representative will be pleased to provide *you* with a *Line of Credit Critical Illness and Life Insurance Application*.

What If You Change Your Mind?

Your satisfaction and financial security are important to *us*. That's why we offer a **30-day money-back guarantee**. If for any reason *you* are dissatisfied with *your* insurance coverage, *you* may cancel *your* coverage within the first 30 days, *your* premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

You can cancel *your* own coverage at any time without the consent of the other borrowers by phone or by written request.

To Cancel By Phone

You can call TD Life at **1-888-983-7070** and, if we are able to confirm *your* identity, *you* will be able to cancel *your* coverage. In that case, *your* cancellation will be effective as soon as we complete the call.

To Cancel By Written Request

You can obtain a cancellation form at any *TD Canada Trust* branch, or by calling TD Life at **1-888-983-7070**. Please send the form to the address at the back of this booklet. If *you* cancel *your* coverage by written request, we will honour *your* request on the date we receive it. We will refund any premiums we may owe *you* after *your* coverage has been cancelled.

Why Would Your Premium Fluctuate?

Your monthly premium is calculated based on *your* age at billing, average balance, and the number of days in an insurance billing period. *Your* age can change at time of billing and the number of days in an insurance billing period may change from month to month, so *your* monthly premium can change even if *your* balance stays the same.

Your insurance billing period starts on the last business day of the previous month and ends on the second last day of the current month.

Is Your Balance Covered In Full?

There are situations where *your* insurance coverage is less than *your* outstanding debt.

The maximum available coverage is \$300,000 on all *your TD Canada Trust Lines of Credit* combined.

If *your* total credit limit or plan limit for all of *your* insured *Lines of Credit* is higher, *you* may have partial coverage on some of the *Lines of Credit*. Also, if *you're* not eligible for insurance based on *your* health or age, *you* might be approved for coverage if *you* were insured on a previous product. Sometimes, depending on the amount *you* were previously insured for, this means that the maximum benefit under *your* new *Line of Credit* is less than the full credit limit or plan limit.

Also, even if the maximum payable on *your Line of Credit* is the full amount of *your* credit limit or plan limit, in some cases, benefits can be limited. Limitations can apply if *you* didn't have to provide evidence of good health for *your* coverage, or if *you* suffer related symptoms in the 12 months before *you* die or are diagnosed with a covered critical illness.

For more information, please refer to sections "Maximum Life Insurance Amounts You Can Apply For" and "Maximum Critical Illness Insurance Amounts You Can Apply For" in this booklet.

Can Your Insurance End Before You Pay Off The Debt?

There are situations where *your* coverage may end before *you* pay off the balance in full and close *your Line of Credit*.

For Example: *Your* insurance will end when *you* turn 70 years old or if *your* insurance premiums are in arrears for more than three months.

For more information, please refer to sections "When Your Life Insurance Ends" or "When Your Critical Illness Insurance Ends" in this booklet.
