Any benefits payable pursuant to our Trip Cancellation & Trip Interruption Insurance shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by *Us*, including these *Group Policies*. If total claims otherwise payable for a type of coverage under all travel policies issued by *Us*, resulting from one or more *Acts of Terrorism*, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a prorated basis so that the total amount paid in respect of all such claims shall be equal to the maximum aggregate payable limit.

The benefits payable, as described directly above, are in excess of all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance coverage (even where such other coverage is described as excess) and will only become available after all other sources are exhausted.

Coverage is only available for up to two (2) *Acts of Terrorism* within a calendar year and the maximum aggregate payable limit for each *Acts of Terrorism* is:

- Maximum aggregate for each Act of Terrorism:
 - \$10,000,000 within an inclusive fourteen day period
- Maximum aggregate per calendar year
 - \$20,000,000

If, in our judgment, the total of all payable claims under one or more *Acts of Terrorism* may exceed the applicable maximum aggregate payable limit, *Your* prorated claim may be paid after the end of the calendar year in which *You* qualify for benefits.

SECTION 12 – GENERAL CONDITIONS

Unless otherwise expressly provided in this *Certificate* or in the *Group Policies*, the following general provisions apply to the benefits described in this *Certificate*:

Validity of the Contract

The insurance will be valid only when purchased and paid for in full before the *Effective Date* of the contract. The insurance must be purchased before the *Departure Date* and for the full duration of the *Covered Trip*, including the *Departure Date* and *Return Date*. When *You* have paid the appropriate premium and met the eligibility requirements, this *Certificate* along with *Your* application forms part of *Your* insurance contract and becomes a binding contract provided that *You* are issued a *Declaration of Coverage* upon which a contract *Certificate Number* appears.

Proof of Loss and Timely Reporting

If *You* are making a claim, *You* must send *Our Administrator* the appropriate claim forms, together with written proof of loss (e.g.: original invoices and tickets, medical and/or death *Certificates* as described in Section 10) as soon as possible. In every case, *You* must report *Your* claim within one (1) year from the date of the accident or the date the claim arises.

Failure to provide the applicable documentation may invalidate *Your* claim.

Review and Medical Examination

When a claim is being processed, we will have the right and the opportunity, at our own expense, to review all medical records related to the claim and to examine the *Insured Person* medically when and as often as may be reasonably required.

Benefit Payments

This *Certificate* contains provisions removing or restricting the right of the *Insured Person* to designate to whom or for whose benefit insurance money is payable. *We* will only pay the expenses covered under this *Certificate* to the *Insured Person* or to the provider of the service(s), as determined by *Us*. This means that under the *Group Policy*, neither *You* nor any *Insured Person* has the right to choose a beneficiary who will receive any benefits payable under this *Certificate*. Benefits are payable to *You* or, on *Your* behalf, to *Your* service provider.

Subrogation

There may be circumstances where another person or entity should have paid *You* for a loss but instead we paid *You* for the loss. If this occurs, *You* agree to co-operate with *Us* so *We* may demand payment from the person or entity who should have paid *You* for the loss. This may include:

- Transferring to *Us* the debt or obligation owing to *You* from the other person or entity;
- Permitting *Us* to bring a lawsuit in *Your* name.

If *You* receive funds from the other person or entity:

- *You* will hold it in trust for *Us*;
- Acting so as not to prejudice any of *Our* rights to collect payment from the other person or entity.

We will pay the costs for the actions *We* take.

Recovery

In the event that *You* are found to be ineligible for coverage, or that a claim is found to be invalid, or benefits are reduced in accordance with any policy exclusion or term or condition, *We* have the right to collect from *You* any amount which *We* have paid on *Your* behalf to service providers or other parties.

Other Insurance

If *You* or an *Insured Person* have other insurance in addition to this *Certificate* with *Us*, the total benefits payable under all *Your* insurance, including this *Certificate*, cannot be more than the actual expenses for a claim and the maximum *You* are entitled to is the largest amount specified for the benefit in any one policy.

If *You* or an *Insured Person* have other insurance in force for the same *Coverage Period*, in addition to this *Certificate*, with another insurer, the total benefits payable under all *Your* insurance, including this *Certificate*, cannot be more than the actual expenses for a claim. *We* will coordinate payment of benefits with the other insurer to a maximum of the largest amount specified for the benefit by each insurer.

The plans outlined in this policy are second payor coverages and all other sources of coverage or recovery must be exhausted before any payments will be made under this *Certificate*.

Legal Action Limitation Period

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or other applicable legislation. All actions or proceedings against us must be brought in the province or territory in which *You* were a resident at the *Effective Date* of this *Certificate* and will be governed by the laws of that province or territory, without reference to its conflicts of law rules.

Misrepresentation

This *Certificate* is voidable by *Us* in the case of fraud or attempted fraud, or if *You* conceal or misrepresent any material fact in *Your* application for this *Certificate* or in *Your* application or for any *Extension Period* of this *Certificate*. In such case, *You* will not be entitled to the benefits of this coverage, nor to the payment of any claim under the *Certificate*.

Currency

All amounts shown are in Canadian currency. If currency conversion is necessary, *We* will use the exchange rate on the date the last service was rendered to *You*. This insurance will not pay for any interest.

Access to Medical Care

TD Life, TD Home & Auto, the Policyholder, *Our Administrator* and their affiliates are not responsible for the availability, quality or results of any medical *Treatment* or transport, or for the failure of any *Insured Person* to obtain medical *Treatment*.

Group Policies

All benefits under this *Certificate* are subject in every respect to the *Group Policy*, which alone constitutes the agreement under which benefits will be provided. The principal provisions of the *Group Policy* affecting *Insured Persons* are summarized in this *Certificate*. The *Group Policy* is on file at the office of the *Policyholder* and upon request, *You* may receive and review a copy of the *Group Policy*.
