

Information about the Insurance provided with your TD Aeroplan Visa Credit Card and coverage during your Account transition.

Now that your Account has transitioned to TD, your new TD® Aeroplan® Visa* Credit Card will afford you the opportunity to continue to enjoy coverage similar to the insurance you had with your previous card, and also benefit from additional and improved coverage. For your convenience, we've provided a summary of the insurance coverage provided by your TD Credit Card in the chart below.

What you need to know.

- Before your account transitioned to TD on June 16, 2014, the insurance benefits available to you were those provided by your previous credit card. For purchases made using your previous card before June 16, 2014 for travel after June 16, 2014, only the insurance benefits provided by your TD Aeroplan Visa Credit Card and that are similar to the insurance benefits on your previous card apply. For purchases paid in full on and after June 16, 2014, all of the insurance benefits provided by your TD Aeroplan Visa Credit Card apply.
- After June 16, 2014, benefits will be paid to you if your claim meets the eligibility requirements of the coverage in effect at the time of your loss. For eligibility requirements in effect as of June 16, 2014, please refer to the Certificate of Insurance provided in your TD Aeroplan Cardholder Agreement, or call TD Credit Cards at **1-866-374-1129**.
- Since there are changes to your insurance coverages and providers effective June 16, 2014, we recommend that you read your Certificate of Insurance carefully to understand any differences in the insurance coverage provided by your previous credit card and your TD Aeroplan Visa Credit Card. Your Certificate of Insurance also provides other details on the coverage provided by your TD Aeroplan Visa Credit Card, including terms, conditions, limitations, exclusions and information about the providers of this insurance.
